Dear Mr. Shuster,

On behalf of the staff and management from Sun Youth Organization, I would like to take this opportunity to thank you and ROE Logistics for their most generous donation.

A non-profit entity such as ours must rely on the generosity and benevolence of people such as you who are sympathetic to our cause and are also responsible for a large part of our funding. Your donation is greatly appreciated and will enable us to better serve our ever-increasing demands.

We are forever grateful and encouraged, because thanks to people like you, the programs that so many people in the Montreal area must unfortunately depend upon, will continue and hopefully improve.

Wishing you health and prosperity in the New Year.

Sincerely,

Sid Stevens  
Executive Vice-President
